From the teaching point of view, the plaster sketch is to solve the problem of fault span from still life to the character conversion. Stationary state because it has both the still life, but also the complex structure and a distinctive personality traits of the characters, so the plaster sketch is the structure of the object of study, points, lines, surfaces, and black, white, gray and other graphic elements to shape the complex three-dimensional characteristics of the object and look in the plane of paper, the performance of a virtual three-dimensional space, so that the form and spirit are prepared. In order to better achieve this educational purposes, teaching has been selected several basis of plaster as the object of teaching and assessment. These plaster sculpture itself with extraordinary artistic value, the modeling accuracy is impeccable. Have a very important inspiration of our overall artistic accomplishment and modeling capabilities will enable us to more Chuan Page Lee into the real head of artistic creation. From the artistic point of view, everything in the world can become a source of artists, and similarly, the plaster can also become the object of artist performance and reproducibility, and do not plaster sketch seen as a simple simulation. (1) whether the purpose of teaching or assessment focus on the portrayal of plaster around the shape, the students paint the most important thing is shaped quasi. Quasi-shaped including the proportion of accurate, structured, and distinctive features in the painting. Order to achieve the shape quasi using three-dimensional analysis and anatomy to understand the scale structure, you can also use the flat silhouette to find decent shape, proportion, you...
