Coloring books are fantastic and the effects are rewarding. They ignite imaginations. They exciting and fun. They are therapeutic and relaxing. But what if you want to doodle and draw as you color? What if you get inspired to write? Or want to jot down ideas that come as you are coloring? Artist Vika Nikitina of CreativBean created a product that combines these needs in one product - the IMAGINATION JOURNAL. The imagination journal is a coloring book, a diary, a sketchbook, an idea haven and a travel companion. The first version of the imagination journal contains inspiring quotes, original whimsical artwork and mandalas for coloring, lined pages for notes and reflections and blank pages for even more art. Plus, a small surprise at the end. Make it your own today.
