Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Ye Ancient History of Norfolk in Rag Time Norfolk, Virginia, many well be described as an island, being situated on a body of land completely surrounded by rivers, creeks, estauries and advertising billboards. Through the interstices of the latter may occasionally be seen glimpses of Chesapeake Bay and the rolling ocean. The city is at the southeastern end of the State, in latitude 36 degrees, 50 minutes, 50 seconds, north, and observations taken for a period of five years, beginning in 1856, showed that the average temperature is 35 hundredths of a degree cooler than that of Portsmouth, Virginia. This, perhaps, accounts for the fact that all of the summer resorts are located on the Norfolk side of the river. Taken as a whole, the temperature is mild and equable, although General Ben Butler is said to have complained greatly of frost when he visited here shortly after the Civil War. Officially, the coldest day on record locally was January 23, 1857, when the thermometer registered five degrees below zero at 7 a.m. The Elizabeth...
