This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

IN THE SURGICAL THEATRE

Perseus Books Group. Paperback / softback. Book Condition: new. BRAND NEW, In the Surgical Theatre, Dana Levin, A doctor contemplates Lenin's embalmed body; two angels flank an open chest during a heart transplant; a father's anger turns into a summer thunderstorm. Each of Levin's poems is an astonishing investigation of human darkness, propelled by a sensuous syntax and a desire for healing. "This is the language of a prophet: Levin's art, in this book certainly, takes place in a kind of mutating day of judgment: it means to wipe a film from our eyes. It is a dare, a challenge, and, for all its considerable beauty, the opposite of the seductive. Sensuous, compassionate, violent, extravagant: what an amazing debut this is, a book of terrors and marvels."-Louise Gluck, from the Introduction Dana Levin was raised in Lancaster, California, in the Mojave Desert. She has received fellowships, grants, and awards from the National Endowment for the Arts, the Academy of American Poets, the Vermont Arts Council, and New York University, where she received her M.F.A. She lives in New Mexico and teaches Creative Writing at the College of Santa Fe.
