

Social Suicide

By Gemma Halliday

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Social Suicide, Gemma Halliday, Twittercide: the killing of one human being by another while the victim is in the act of tweeting. Call me crazy, but I figured writing for the Herbert Hoover High Homepage would be a pretty sweet gig. Pad the resume for college applications, get a first look at the gossip column, spend some time ogling the paper's brooding bad-boy editor, Chase Erikson. But on my first big story, things went a little south. What should have been a normal interview with Sydney Sanders turned into me discovering the homecoming queen-hopeful dead in her pool. Electrocuted while Tweeting. Now, in addition to developing a reputation as HHH's resident body finder, I'm stuck trying to prove that Sydney's death wasn't suicide. I'm starting to long for the days when my biggest worry was whether the cafeteria was serving pizza sticks or Tuesday Tacos.

Reviews

Absolutely among the finest book We have at any time read through. We have read through and that i am sure that i will going to read once more again later on. I found out this book from my i and dad suggested this book to find out.

-- **Alford McClure**

I actually started reading this article ebook. It is actually packed with knowledge and wisdom Its been printed in an remarkably simple way and it is only after i finished reading this pdf where in fact modified me, alter the way i believe.
