HarperCollins Publishers, United Kingdom, 2003. Hardback. Book Condition: New. 222 x 141 mm. Language: N/A. Brand New Book. Second novel from the author of The Men from the Boys. The brilliant second novel from the author of The Men from the Boys, In The Black has a strong cast of characters whose link is their local amateur dramatics society. Their off-stage dramas far exceed those that are played out on the small stage at the local hall. The main players include the local funeral director, trying to make room for the living as well as the dead; and the vibrant Georgie, whose devastating loss has led her back home to her mother.
