Beyond Faith and Reason: Reconstructing a Philosophy of Personhood

By Tim Holmes

Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 2nd. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Once again, Holmes brings us deeper along the journey of self analysis in his latest critique of identity. Traditional and contemporary philosophies alike are surveyed with provoking style to illuminate a novel of introspection. The primary goal remains the constituents of human identity. Through an analysis of reason, affectivity, aesthetics and responsibility, this new view presents the human person as the indelible foundation of selfhood. Not only does the psychology presented allow for a delineation of the various elements of who we are, but emerging alongside is a cogent epistemology and spiritual orientation. The depths of existence and the self are equally plumbed and artistically rendered despite their transcendent ends. Here we see the Existentialist crisis reexamined through the varying lenses of psychology, theology and, perhaps most beautifully, the honest and genuine voice of human experience. Holmes gives new life to the concept of the self, acknowledging both the infinite complexities and the profound fulfillment associated with conscious existence. This book strikes a chord in the awakening soul. -Linda Senecal, St. Bernard s Central, Fitchburg...
