Reviews

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The second book in this series deals with items used to build the Tabernacle. Who was involved, what materials were used, and how the design came together. This book does not jump around from book to book inside the Bible in the hopes of finding answers that seem to make sense. Instead, this book follows a simple rule of context stating, when a question arises, look back for the answer. This book was written on the fact, it was written by the world s greatest Teacher, Jesus. A good teacher will always provide the answer before asking the question. The Bible was written using that concept as a consistent rule. As we shall see, the answers Christ gave are often far different than many of the interpretations scattered around this world. Some of the answers may surprise you. And many of you will find yourself saying, I knew that all along. This book begins with a description of Aaron, the high priest s clothing, and finishes with a description of the first day the Tabernacle was assembled. In between we find descriptions of every item used to fabricate the Tabernacle, where they were located, and how they were used in services. Many of those items seem to be of little value compared to others, like the Ark. But when we follow the order God recorded them in, we see the Tabernacle in an entirely new light. We see the same lesson when we look at the people involved in fabricating every item for the Tabernacle. This book follows the sequence Moses used to record all the details about the Tabernacle exactly the way they were...
