Turtleback Books, United States, 2013. Hardback. Book Condition: New. Bound for Schools Libraries ed.. 168 x 102 mm. Language: English . Brand New Book. The #1 New York Times bestselling author and producer of the FOX television hit *Bones* is at her brilliant best in a riveting novel featuring forensic anthropologist Tempe Brennan. A woman calling herself Amy Roberts checks into a Montreal hospital complaining of uncontrolled bleeding. Doctors see evidence of a recent birth, but before they can act, Roberts disappears. Dispatched to the address she gave at the hospital, police discover bloody towels outside in a dumpster. Fearing the worst, they call Temperance Brennan to investigate. In a run-down apartment Tempe makes a ghastly discovery: the decomposing bodies of three infants. According to the landlord, a woman named Alma Rogers lives there. Then a man shows up looking for Alva Rodriguez. Are Amy Roberts, Alma Rogers, and Alva Rodriguez the same person? Did she kill her own babies? And where is she now? Heading up the investigation is Tempe's old flame, homicide detective Andrew Ryan. His counterpart from the Royal Canadian Mounted Police is sergeant Ollie Hasty, who happens to have a little history with Tempe himself, which she regrets. This unlikely trio follows the woman's trail, first to Edmonton and then to Yellowknife. What they find in Yellowknife is more sinister than they ever could have imagined.
