Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Dover Publications Inc., United States, 2015. Paperback. Book Condition: New. New edition. 204 x 124 mm. Language: English . Brand New Book. The enduring appeal of the desert is strikingly portrayed in this poetic study, which has become a classic of the American Southwest. First published in 1903, it is the work of Mary Austin (1868 1934), a prolific novelist, poet, critic, and playwright, who was also an ardent early feminist and champion of Indians and Spanish-Americans. She is best known today for this enchanting paeon to the vast, arid, yet remarkably beautiful lands that lie east of the Sierra Nevadas, stretching south from Yosemite through Death Valley to the Mojave Desert. Comprisingfourteen sketches, the book describes plants, animals, mountains, birds, skies, Indians, prospectors, towns, and other aspects of the desert in serene, beautifully modulated prose that conveys the timeless cycles of life and death in a harsh land. Readers will never again think of the desert as a lifeless, barren environment but rather as a place of rare, austere beauty, rich in plant and animal life, weaving a lasting spell over its human inhabitants.
