Liturgical Press. Paperback. Book Condition: new. BRAND NEW, Let Ministry Teach: A Guide to Theological Reflection, Robert L. Kinast, Relating theology to the practice of ministry is one of the most elusive goals in pastoral training. Drawing upon seventeen years of experience in theology, Doctor Kinast describes a step-by-step approach to help students and experienced ministers learn what their ministry teaches. Through examples, practical suggestions, and principles grounded in process theology, readers of Let Ministry Teach explore the full range of resources needed for meaningful theological reflection. Let Ministry Teach strikes a clear balance between a very broad and detailed presentation of a theological reflection method so that it is neither too simplistic nor too hard to handle. Each chapter describes a fundamental step in the method with the help of an illustration and commentary. Chapters conclude with a list of practical suggestions and a short description of the theoretical background and its main points. The challenge of theological reflection is to keep theology in the authentic experience of God's presence in our midst. Let Ministry Teach places this reflection in context: in a small group - where it works best; as a meaningful experience - one that has an impact, and initiates discussion; as a faith-theological perspective reflecting on experience from many points of view; as a practical outcome where a person is in a better position to guide events according to one's beliefs; and as a continuous process - a skill which must be practiced. In Let Ministry Teach, Doctor Kinast develops a successful way of doing theological reflection, which includes: selecting an experience - focusing on the meaningful moments; describing an experience - making it available for reflection; entering an experience - learning what it has to teach; learning from an experience - grasping what it teaches...
