Akwekon Media, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A 2014 NaNoWriMo Writer Challenge Story: Henry O Malley, Omega - Hank to those who know him, is about to have his world turned upside down. You see, Hank is just a nice boy on the verge of becoming a man trapped in the quietude of Sparrows Hollow, West Virginia. The year is 1956 and Hank is in his senior year at the Cavanagh Gap Regional High School. Not that he has much to look forward to that he isn't already doing. His life thus far is limited to the mundane existence of school work and the general store he runs with his mother in Sparrows. His Daddy ain't been around much since Hank was a boy, when his daddy went off to the World War in Europe and the military just sorta lost him. No body to bury, nothing to grieve over. Having idolized his father from a early age, Hank hasn't been the same since. Yet the scent of his father lingers around Sparrows, like a long ago caress he recalls from his father's hand when he was a boy. His mama says that's just the spirit of his daddy lookin' out for him. Only see, Hank ain't so sure. Then there's the boys from his high school football team. Titans of muscle and bone and ruffians to the core. They're the kind of boys that girls want to be with and other boys want to run with. Iconically beautiful and fearsome all in one. These boys were once Hank's childhood friends - now scattered to the far corners of the school running like a pack...
