Life in the shadows. It happens to all of us. We stand so close to a dominant personality that our reflection can hardly be noticed. Someone more famous. More skilled. More powerful. Sometimes they are people we hardly know. Sometimes they are members of our own family. Brazos Fortune has left a towering legacy. His son Todd now struggles to prove himself and find his own identity in the Shadow of Legends. Todd Fortune must follow his father as he takes over the family business with his wife, a fast-paced city girl whos not willing to settle into a small town lifestyle. A tale of daily hardships and hard-earned victories, Todd struggles to prove himself a committed husband and a courageous frontiersman in the wake of his fathers legacy. Cross-country chases, deadly showdowns, and budding romances weave the story of this second powerful novel in the Fortunes of the Black Hills series.
