Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE CHINESE CIVIL WAR 1945 - 1949

GRIN Verlag. Paperback. Book Condition: New. Paperback. 24 pages. Dimensions: 8.3in. x 5.8in. x 0.1in. Essay from the year 2010 in the subject Orientalism Sinology - Chinese China, grade: -, - (Scholarly Circle Atlanta, Georgia), language: English, abstract: The Chinese civil war is one of the key events of 20th century. The victory of the Communists over the Nationalists determined the Chinese history over several generations and defined international relations in East Asia throughout the Cold War era and after. The civil war in China represents not only the clashes of armies, but also of nations and classes. As all civil wars it represents furthermore a traumatic and painful process within a people with atrocities on both sides and horrendous suffering of combatants and civilians. The civil strife between the Nationalists and Communists on mainland China had begun in the 1920s, coming to a head right after the end of World War II in 1945, when the Communists began the successful drive that won them final control over China in October 1949. From then on China was under the rule of Maos Communist Party with one exception: Taiwan. The island southeast of mainland China was ruled by Chiang Kai-shek. Since 1949 the world has dealt with two Chinese states: the Peoples Republic of China or PRC in mainland China under the Communists and the Republic of China or ROC in Taiwan under the Nationalists. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
