Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In the beginning, I only vaguely understood what was involved. Later, I began to study the Huna Code and I became much more aware of how and why it works. Huna is an ancient wisdom from Hawaii that provides a way of understanding our own psychology and the subliminal forces that affect us. It teaches that residing in and about this body are three separate levels of consciousness: the conscious, subconscious and super- conscious.
