BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Russell Wiley is in deep trouble. A media executive for the failing Daily Business Chronicle, his career is teetering on the brink of collapse, and his sexless marriage is fast approaching its expiration date. With his professional and personal lives floundering, it s no wonder Russell is distracted, unhappy, and losing faith in himself. Making matters worse are his scheming boss, a hotshot new consultant, and the beguiling colleague whose mere presence has a disconcerting effect on Russell s starved libido. Disaster seems imminent, and that s before he makes a careless mistake that could cost the paper millions. Russell realizes he must take drastic action if he is going to salvage his career, his love life, and what little remains of his self-respect. Sardonic, edgy, and true to life, this gripping novel from author Richard Hine offers an insider s view into a newspaper s inner sanctum and the people who oil the wheels of the old media machine. Heralded by Publishers Weekly as one part Glengarry Glen Ross and two parts Sophie Kinsella, **Russell Wiley Is Out to Lunch** is a debut novel that will delight any listener who has waded through the uncharted territories of the heart or witnessed the ironies of corporate life.
