She presents her How To article with genuine empathy and caring. Sharon's own personal experience with death brings sensitivity to her unique ability to act as a bridge between the grieving, and the deceased. Sharon suggests that we become more aware of simple coincidences, the ones we often take for granted, as these may be opportunities to develop a deeper awareness, and begin to recognize this special communication. She invites you to follow her 6 steps to heart-felt communication. These steps will help you develop, or in some cases enhance, your own inborn intuition. I believe, says Sharon, that death is safe, how could it be any other way, we all experience it.
