Brand New Book ***** Print on Demand *****.Excerpt from Abraham Lincoln: As a Man of Letters Any attempt to set down with some exactness a definition of a man of letters would doubtless give rise to considerable diversity of opinion. Such a result would, however, give value to the attempt. And yet, the class of men of letters is fairly distinct and understood. Time comes nearest judging well the virtues of those who write as well as of those who interpret what has been written. Whatever time holds out as thoughtful and beautiful and perpetually interesting among the writings of men and women is likely to be esteemed by the judgment of all as literature. John Morley places Burke among men of letters. He gives especial distinction to Burke s speech on conciliation with America. Something that Morley says of Burke applies with aptness to Lincoln: Out-arguing is not perhaps the right word for most of Burke s performances. He is at heart thinking more of the subject itself, than of those on whom it was his apparent business to impress a particular view of it.
