It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Dog Ear Publishing, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the story of the Saginaw Kid, lightweight world champion George Henry Lavigne, who held the top spot from 1896 to 1899. Raised in the bawdy lumber towns of Michigan, the Kid cut his fistic teeth fighting bare-knuckle matches against the best men of the camps. Just as Lavigne was making his professional debut in 1886, the Queensberry Rules, featuring gloved fists and timed rounds, were transforming boxing as it fought its way to legitimacy and legality. The saga is a rollicking ride from the Kid's birth in 1869 to his defeat of Iron Man Dick Burge of England for the world lightweight title in 1896. The story pulls no punches, following Lavigne's booze-fueled decline, a dozen arrests, a foray to Paris to conduct a boxing school, trips to the insane asylum and ultimately his death at age 58 in 1928 in Detroit. Meticulously researched and featuring dozens of photos and quotes from original correspondence, the book deftly mixes genealogy, history, culture, and sport, showcasing boxing's early beginnings and providing an entertaining account of the life of Kid Lavigne, one of the era's most popular and accomplished pugilists. Lauren Chouinard's passion for the subject shines through clearly. An unearthing of the Lavigne saga that is worthy of its magnificent subject: With the love and energy of an archeologist, Chouinard has reached down into the distant past to tell the story of one of the greatest lightweights who ever lived. Kelly Nicholson, author of *Hitters*, *Dancers*, and *Ring Magicians* The great turn of the century lightweight champion George Kid Lavigne (aka The Saginaw Kid) has finally gotten the biography he deserves....
