LEAD WELL: A 30 DAY JOURNEY IN BIBLICAL LEADERSHIP

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Over the past few years I have been on a journey. This journey has been to become a person who is able to Lead Well. I say person because I want my leadership to encompass every role and responsibility that my life holds. I want to lead well as a husband and a father. I want to lead well as I shepherd and direct ministry. I want to lead well throughout every day-to-day interaction that I may have. I don't believe that this journey originated in my own heart and mind. I firmly feel God's calling on my life, to become a person who leads well. Furthermore, I believe that Scriptures like Philippians 1:6 confirm that any call that God has placed into us, will be carried out. Carried out, not for self-glorification, but for the blessing of others and for His glorification. It's important to note that I have definitely not arrived yet. My character flaws continue to trip me up and prevent me from achieving what God has called me to be. Nevertheless, every fall that I have experienced, I must accept and place into my toolbox of life-lessons. Each leadership failure has taught me invaluable truths about myself, that have become vital to my journey. This journey has culminated into a personal mission statement that continually brings me back to my calling: Serving Christ by cultivating biblical leadership through writing, teaching and communications. This mission statement can be broken up into 5 steps...
