This collection of inspirational poems is about waking up and living. As we experience the storms within our lives (and we cant run from them), we must not let it distract us from God and what he is doing in our lives. This book is about praising God for what he is doing in our lives, even if it has not been revealed yet. Each poem is full of words of encouragement and appreciation of our loving Father, with scriptures to meditate on. It helps us keep our faith and keep our focus on Gods love for us. This book reminds us that we must stay awake and fully armored as storms approach, as that is when we will feel Gods presence.
