Publisher: Chinese Overseas Publishing Club Pub. Date :2009-01-01. Some people say: Can not you tired? Primary and secondary students to cope with their studies. students worry about the job. the work of people seeking better jobs and better suited to their career. let alone the complex relationships give us trouble. Can not deny that we live in an era of fierce competition. Take the students. the academic burden exceptionally heavy. start from the first grade. children must learn to bear a huge burden. Ye Hao education authorities. parents and Ye Hao. have recognized the shortcomings and to take certain measures loudly called for reducing the burden for their children. but the effect is not so satisfactory. The reason is the rapid development of the times gives a very strong sense of urgency. so that you can not stay. Learning is like riding a boat behind. In order not to living people. people desperate to increase the pressure on yourself. Learning is the case. work. marriage. life and doing things is it not so?...
